Footnotes:

- This is ordered and billed as a class.
- This is ordered and billed individually depending on the number of drugs that are chosen.
- When ordered as a class, this drug class contains additional drugs that are listed on the back of the requisition form. Please review those drugs for medical necessity and financial reasonableness for each patient for whom this is ordered.
- These drugs have been grouped together for clinical utility but will be billed as individual CPT codes per the AMA Definitive Drug Class Listing.
- This order will incur additional costs as related to the addition of CPT codes for each of the drug/drug classes that are provided. Please refer to the Stone Clinical Laboratories fee schedule for guidance, as well as the back of the requisition form.
- LC-MS/MS cut offs when represented as a range are representative of multiple drugs within a class.
- Drugs can be ordered by class or individually, billing will be billed individually depending on the number of drugs that are chosen.
